# THE PEOPLE OF THE STATE OF NEVADA DO ENACT AS FOLLOWS

NRS 288.220 Certain proceedings not required to be open or public. The following proceedings, required by or pursuant to this chapter, are not subject to any provision of NRS which requires a meeting to be open or public:

- 1. Any negotiation or informal discussion between a local government employer and an employee organization or employees as individuals, whether conducted by the governing body or through a representative or representatives.
- 2. Any meeting of a mediator with either party or both parties to a negotiation.
- 3. Any meeting or investigation conducted by a fact finder.
- 4. Any meeting of the governing body of a local government employer with its management representative or representatives.
- 5.] Deliberations of the Board toward a decision on a complaint, appeal or petition for declaratory relief are not subject to any provision of NRS which requires a meeting to be open or public.

**Section 2.** Section 1 of this initiative shall not apply to confidentiality provisions in any collective bargaining agreements in existence at the time of the enactment of this initiative.

#### **DESCRIPTION OF EFFECT**

State law currently exempts from open, public meeting requirements certain proceedings relating to local government collective bargaining units, between management representatives and associations or unions representing local government employees. Exempted proceedings include negotiations, informal discussions, mediation, investigations and meetings.

This initiative petition removes some of these exemptions from state law. Collective bargaining proceedings would be subject to Nevada's Open Meeting Law, just as any other meeting where public funds are discussed and spent.

Local government collective bargaining units include associations of employees under any political subdivision of the State of Nevada or any public or quasi-public corporation organized under the laws of Nevada. More specifically, included are governments of counties, cities, unincorporated towns, school districts, charter schools, hospital districts, irrigation districts and other special districts.
