

STATE OF NEVADA RECALL COMMITTEE REGISTRATION INFORMATION

Secretary of State Ross Miller

Who may be recalled?

Every elected public officer in the State of Nevada, excluding U.S. Senators and Representatives in Congress, is subject to recall from office by the registered voters of the state, county, district or municipality from which he/she was elected.

A person who is appointed to an elective office is also subject to recall in the same manner as provided for an officer who is elected to that office.
(Nev. Const. Art. 2, Sec. 9; NRS 306.020(1))

When may a public officer be recalled?

A notice of intent may not be filed against a public officer within the first 6 months of his/her term regardless of whether the official is in his/her first term or a subsequent term. The only exception is that a petition may be filed against a State Senator or State Assemblyman anytime after 10 days from the beginning of the first session after his/her election. (Nev. Const. Art. 2, Sec. 9; NRS 306.015; NAC 306.005)

How many times may a recall petition be filed against a public officer?

After one recall petition has been filed and a special election held, no further recall petitions shall be filed against the same public officer during the term for which he was elected unless petitioners pay for the expense of the preceding special election. If a petition fails to qualify, another notice of intent may be filed at any time.
(Nev. Const. Art. 2, Sec. 9)

May a recall petition and a nominating petition be circulated at the same time?

The petitions must be circulated separately, but they may be circulated at the same time. (NRS 306.110)

May petitions be circulated at a polling place when an election is being held within the county for another purpose?

It is unlawful to intimidate voters or interfere with the conduct of an election. Soliciting signatures for a recall petition **within 100 feet** from the entrance to the building in which a polling place is located is prohibited. (NRS 293.710(1); NRS 293.740(1) & (4)(f); NRS 293.361; NRS 293C.361)

What are the limitations on using public buildings to gather signatures on petitions?

At each building open to the general public and occupied by the government of this state or a political subdivision or agency of this state, except a public elementary or secondary school, an area must be made available for the use of any person to gather signatures on a petition at any time the building is open to the public. The area designated for the gathering of signatures **may be inside or outside** the building, but the **area so designated must be reasonable**. Before a person may use the designated area, he/she must notify the public officer in control of the operation of the building of the dates and time he/she intends to use the area to gather signatures. (NRS 293.127565).
